I. Approval of October 2 board meeting minutes

II. Committee Reports

Affordable Housing:

- The board discussed current issues in Cleveland Park and agreed to the following principles and questions:
 - Voucher holders are valued members of our community. They need better wrap around services.
 - Several buildings in CP are currently underserved. What does the wrap around service program look like for the people in these buildings? We need localized services for voucher holders in CP.

Comprehensive Plan

The board discussed the Comprehensive Plan proposed revisions and related upcoming community meeting. The community meeting will begin at 6:15pm on November 21. Director Trueblood will speak at 6:30 for 30 minutes. Following the Director's talk, CPCA will facilitate a community listening session to capture questions and concerns.

Follow up actions:

- Provide framing topics to guide OP Director Trueblood in his remarks - Todd
- Confirm Mary Cheh's attendance - Barr
- Create and post flyer to advertise the meeting - Alli
- Reach out to CPBA to invite the CP businesses to the meeting - Jen or Barr
- Send Emma Hersh flyer for posting in Broadmoor - Jen

Safety

- The Safety committee has been testing the 311 system with mixed results. The committee agreed to continue testing and invite CPCA board and members to also test and report results

- Draft post to CPCA membership inviting them to test 311 and create google doc to capture results - Mike Rifer

Transportation

- The board approved Sauleh as a co-chair of the Transportation committee with Naihua
- The committee noted that ANC 3C01 Commissioner Lee Brian Reba is leading an investigation into extending the Circulator Green Line bus service to the zoo and possibly beyond. CPCA will review the findings from this investigation and decide how to proceed.
- The committee will continue to research 4-2 lanes.
- The committee will explore collaboration with Woodley Park and other neighborhood orgs on transportation issues.

Survey

- The CPCA membership survey is completed. 54 respondents.
- The survey committee plans to release a survey report in December

Other Actions:

- When people join CPCA they can indicate their areas of interest. Barr to investigate how we can better follow up on this information.
- Hearst park construction project is seriously delayed. Barr will discuss with Hans possible outreach to Councilmember Cheh to indicate CPCA concern on this issue.
- Create CPCA google drive and file structure - Jen.
- The board will meet next on Dec 4th.
