Dear CPCA members,

A big shout out to everyone who came out on Cleveland Park Day and especially to Jeff Davis for coordinating the event. Despite the cool, windy, rainy weather, people enjoyed the food offerings from our Cleveland Park restaurants and the ice cream social at the Cleveland Park Library, toured the Cleveland Park Historical Society's display and greeted Mr. and Mrs. Grover Cleveland, learned about Greening Cleveland Park, and as the weather cleared, dunked John Eaton Principal Dale Mann. We were especially honored to have our Council Member Mary Cheh present a resolution to CPCA from the City Council in honor of our 100th anniversary and to have Mayor Vincent Grey join us to say a few words.

At our September membership meeting, Council Member Mary Cheh addressed the recent problems with the City Council and answered questions in a lively session. You can listen to the meeting on podcast by going to our website. We have a very timely meeting planned for October. We hope to see you there.
