Article II. Mission

CPCA's mission is to enhance the quality of life in Cleveland Park. It addresses issues of broad-based concern and relevance in order to build a diverse, thriving, forward-looking neighborhood while preserving its historic character.

With membership open to all residents, businesses and institutions within its defined boundaries, CPCA fosters education and neighborly discussion. When there is general agreement among members, CPCA takes action and advocates for the neighborhood and, as appropriate, on issues affecting the larger community.
